How to open a TBS Quiz

Once the CAC reader is installed.

- Go to https://mctims.usmc.mil
- Here the system should prompt you for an access /PIN number to continue to the MCTIMS website, enter your PIN when asked.

TBS Quiz Continued

- If you have never logged into MCTIMS clicking on this link will take you to a new account wizard to confirm your CAC, this will enable your account, and allow you to continue to the testing site.

TBS Quiz Continued

- **Located Under " Homeport" are several dropdown boxes open the "MCTIMS Resources" and click the "Online Testing" login to QMP. This will open in a new window.**

TBS Quiz Continued

- Inside Questionmark you will see a Participant Login, enter the Participant ID and Password provided by the company for quizzes.
- This will take you to a display that has "Test", "My Details" and "Reports". Select the Test tab.
- Displayed are the quizzes you will need to take during the phase. Pay close attention to the closing date as all quizzes close at 0700 the day of the scheduled class (. select the quiz

TBS Quiz Continued

- **Continue with the quiz and ensure you hit submit prior to closing the browser.**
- **All Quizzes are timed and will timeout if left open once started.**
- **Quiz times are based off of the number of questions, one minute each question.**

TBS Quiz Continued
